

JOB OPENING

We're looking for an energetic professional, fun, live-in couple to manage a residential house for 12 high-achieving female high school students.

Duties include:

- Create & maintain a family environment
- Interact with large volunteer base
- Understand the needs & nuances of teenagers
- Help to articulate & establish goals
- Maintain a good standard of conduct

In return for room & board and small monthly stipend
Small private apartment included
No cooking responsibilities
